### Combined Hepburn Shire Ward and Hepburn Health Meeting, July 30th.

Residents of Yandoit, Clydesdale, Franklinford and Shepherd's Flat are invited to hear from Hepburn Health about what services they provide and to let them know our health needs. Hepburn Health have been surveying the Shire and now it's our turn.

We'll also learn about the Home and Community Care (HACC) program operated by the Shire and planned changes for next year. Other items for discussion are Hepburn Shire's:

- mobile phone black spot location plans;
- kerbside rubbish collection rollout; and
- rubbish facilities for those who opted out of kerbside collection.

Come along with your ideas and suggestions.

### Yandoit.net to keep on

Lloyd Strevens has joined John Ross continue the good work with our local website. Take the time to have a look, and maybe send in a contribution.

### Distribution of *The Chronicle*.

If you can help with the delivery of the above to letter boxes in the Clydesdale and Shepherd's

Flat areas contact Nikki or Bill. See contact details below.

### Old Time Dancing

### Mechanics Hall News

The committee will be putting in a submission to fix up the Hall and put on Solar Panels. Watch this space!

### Park Committee Election and News

The Hon Sec of the committee has announced that a committee of 7 has been elected: Steve O'Connor Hon Chairperson, Bill O'Donnell Hon. Treasurer Secretary, Carlene Sartori. Ross Sartori, Andrew Kimpton, Nikki Marshall, and Noel Richards Hon. Committee Members.

## Trade Fair

Expressions of interest welcomed

Community members are invited to join in by setting up their own stall or exhibit or contributing in other ways on the day. Cost \$5.00 per exhibitor (to cover Hall hire and Trade Directory)  
Contact Liz to register your stall at the trade fair or be part of the planning.

## Next meeting of the trade fair planning group

Will be held on Friday July 31<sup>st</sup> at 7pm.

## Where's Yo Bin?

(Ah's been upstairs where's yo bin?)  
The public meeting in Yandoit earlier this year, led to a public meeting at the Daylesford Town Hall on Wednesday 20<sup>th</sup> May. Once again our community has stimulated a public involvement in imposition of a Shire program. Now the extension of kerbside rubbish collection to small hamlets includes an opt out clause. Well done people!

## Finalising the Grant....

Readers are reminded that the Park Committee received a \$5,000 grant from the Department which has been partly used to fix the toilets and the rest is to be spent on a permanent Barbeque near the tennis courts. So far the slab has been laid and the poles are in for the shelter.  
To come: a combined wood and gas BBQ built by locals Andrew Kimpton and Steven O'Connor and using local stone. (Round of applause for Steve and Andrew)

## Creative rubbish and recycling with Greg Pridmore....

### How To Dispose Of Those Plastic Milk Bottles

1) Pour a little boiling water into bottle.

2) Shake about until all bottle is hot.

3) Pour out the hot water and push in the cap.

4) Quickly roll up tightly from the bottom, before it cools down.

5) Push into sturdy mug (or similar) and leave until cooled.

6) Now look at how much of your bin space you have saved, and how much you have saved Hepburn shire, by them not having to cart away all that extra air. Also now rinsed, it will not smell

## NON SERIOUS SECTION.

Have you noticed that kid's names are varying from the traditional: I'm thinking of Rainbow, Pepper, Jazz, Reef. The Registrar can refuse to register a prohibited name. Under the [Births, Deaths and Marriages Registration Act 1996](#) this includes (but is not restricted to) a name which is obscene or offensive: cannot be established by repute or usage; because it is too long; because it contains symbols without phonetic significance, such as an exclamation or question mark, or for any other reason is contrary to public interest; contains an official title or rank recognised in Australia such as King, Lady, Father, Sir or Admiral. Why people choose the name for their child is one of the mysteries of the universe.  
Anthropologist visits remote tribe and meets local named Sunrise. "that's a beautiful name" remarks Anthro. "it is our tradition that the mother names the newborn in honour of the first thing she sees after the birth. Isn't that true, Black Dog Scratching?"
