**Model-T Fords come to Yandoit.**

No pictures yet, but take it as gospel, a full compliment of the ancient vehicles graced our fair neighbourhood recently.

More in the next Chronicle. Or on the web at Yandoit.net

**SOME FILLER IN STUFF.**

On the last Chronicle posting run saw a man outside Bergamo House in Yandoit hills. Looked remarkably like the previous owner of the place. Well well well, IT WAS the previous owner of the place. Gerhard and Bern are coming back to live in the hills. Place looks beautiful nestled in the valley.

**FILM NEWS.**

Don't know when the next film is on at this stage. Last film at Clydesdale was a monster film for the kids and a murder mystery for the rest of us. I enjoyed the monster film. The plot was thus: scary monsters corporation (provides the monsters in our dreams) turns over a new leaf and decides to provide humourous monsters. Maybe Gillard and Abbot could make a similar adjustment.
